In her new book, *Bad Princess True Tales From Behind The Tiara*, former princess Stephanie von Hohenlohe reveals the truth about life behind the palace walls. Von Hohenlohe, who is the daughter of a German prince and an American socialite, grew up in a world of privilege and luxury. But she also witnessed firsthand the dark side of royalty, including the scandals, the gossip, and the intrigue.

In *Bad Princess*, von Hohenlohe shares the stories of princesses from around the world who have defied expectations, broken the rules, and lived their lives on their own terms. There's Princess Margaret, the rebellious

sister of Queen Elizabeth II; Princess Diana, the "people's princess" who died tragically in a car crash; and Princess Stephanie of Monaco, who has been known to party hard and date rock stars.

These are just a few of the many fascinating stories that von Hohenlohe tells in *Bad Princess*. Her book is a must-read for anyone who is interested in the lives of royals, or for anyone who has ever dreamed of being a princess.
