Saul Bellow was one of the most important and influential writers of the 20th century. His novels, which include *The Adventures of Augie March*, *Henderson the Rain King*, and *Humboldt's Gift*, are celebrated for their wit, their wisdom, and their profound understanding of the human condition.

In *Bellow: A Biography*, James Atlas provides an intimate and revealing portrait of the man and his work. Atlas, a close friend of Bellow's, had unprecedented access to Bellow's personal papers and interviews with his family and friends. The result is a biography that is both authoritative and deeply personal.

Atlas traces Bellow's life from his early childhood in Chicago to his rise to fame as a writer. He explores the influences that shaped Bellow's work, including his Jewish heritage, his experiences as a soldier in World War II, and his lifelong struggle with depression.

Atlas also provides a close reading of Bellow's novels, showing how they reflect his own life and times. He argues that Bellow's work is essential to understanding the American experience in the 20th century.

*Bellow: A Biography* is a major work of literary biography. It is a must-read for anyone interested in the life and work of one of the most important writers of our time.
