

# Can't Wait To Show You

An inspiring true story about the power of love, family, and the extraordinary bonds we form with the animals in our lives.

For as long as she could remember, Melissa had always loved animals. As a little girl, she would spend hours watching nature documentaries and pretending to be a veterinarian. When she was finally old enough to get a pet of her own, she adopted a sweet golden retriever named Buddy.

Buddy quickly became Melissa's best friend. They went everywhere together, from hiking in the woods to swimming in the lake. Buddy was always there for Melissa, through good times and bad. He was her confidant, her protector, and her constant source of love.
