Synopsis:

In the labyrinthine streets of a city shrouded in secrets, Liam Devlin, a man with a past he'd rather forget, finds himself drawn into a web of desire and danger. As a confessor by profession, Liam has heard countless tales of sin and transgression, but it's his own confession that holds the key to his redemption—or destruction.

Haunted by memories of a shadowy past, Liam seeks solace in the arms of a mysterious woman named Eve. But their forbidden affair soon becomes entwined with a series of brutal murders that rock the city. As Liam delves deeper into the investigation, he uncovers a sinister conspiracy, one that threatens to reveal his own dark secrets.

With each confession he hears, Liam's own sins weigh heavy on his soul. The line between his professional life and his personal demons blurs, as he grapples with the consequences of his actions. Truths are twisted, identities hidden, and desires take on a dangerous edge.

As the body count rises, Liam finds himself on a collision course with a killer who mirrors his own inner darkness. Can Liam confront his past and fight against the darkness that threatens to consume him, or will he succumb to the temptations that have always haunted his soul?
