**Dozen Super Fun Games to Introduce Pickleball Concepts to Children and Under** is packed with dozens of games that will help your kids learn the basics of pickleball, while also improving their hand-eye coordination and motor skills. These games are perfect for kids of all ages, and they can be played indoors or outdoors.

Here are just a few of the games you'll find in this book:

- **Pickleball Target Practice:** This game helps kids practice their aim and control. To play, simply set up a target (such as a cone or a piece of paper) and have kids take turns trying to hit it with a pickleball.
- **Pickleball Relay Race:** This game is a great way to get kids moving and working together. To play, divide kids into teams of two or three. Each team will line up facing each other, with a pickleball in the middle. The first person on each team will run to the pickleball, hit it over the net, and then run back to their team. The first team to get all of their players across the net wins.
- **Pickleball Scavenger Hunt:** This game is a fun way to get kids exploring and learning about pickleball. To play, hide pickleballs around your yard or play area. Give kids a list of clues to help them find the pickleballs. The first kid to find all of the pickleballs wins.

These are just a few of the many games you'll find in this book. With *Dozen Super Fun Games to Introduce Pickleball Concepts to Children and Under*, you'll have everything you need to teach your kids the basics of pickleball and help them develop their hand-eye coordination and motor skills.
