Introducing Fractured, a gripping psychological thriller that delves into the labyrinthine depths of the human psyche. Penned by the acclaimed author Rachel Hatch Ryan, this novel promises an unforgettable journey through trauma, resilience, and the unyielding pursuit of justice.

A Shattered Memory

The story revolves around Sarah, a young woman grappling with the haunting fragments of a past she can't fully remember. Tormented by nightmares and crippling anxiety, she embarks on a quest to piece together her shattered existence.

As Sarah delves deeper into her past, she uncovers a web of deceit, violence, and betrayal. Every step she takes brings her closer to the truth, but also to the edge of madness.

The Fractured Psyche

Fractured is a masterful exploration of the intricate workings of the human mind. Ryan deftly portrays the psychological turmoil that trauma can inflict, creating a visceral and deeply unsettling reading experience.

Through Sarah's journey, the novel delves into the complexities of memory, dissociation, and the struggle for self-identity. Ryan's nuanced writing captures the raw emotions and fractured psyche of a woman fighting for her sanity.

A Path to Redemption

Despite the darkness that engulfs Sarah's past, Fractured is ultimately a tale of hope and resilience. As she confronts her demons, Sarah discovers an inner strength that she never knew she had.

With the help of a skilled therapist and a determined private investigator, Sarah embarks on a path of healing and redemption. She faces her fears head-on, unraveling the secrets that have held her captive for so long.

A Gripping Page-Turner

Fractured is a psychological thriller that will keep you on the edge of your seat from start to finish. Ryan's taut writing and intricate plot will leave you breathless, as you race to uncover the truth alongside Sarah.

Suspenseful and thought-provoking, Fractured is a must-read for fans of psychological thrillers, crime fiction, and stories that explore the darkest recesses of the human mind.
