This book provides an in-depth look at Trump's life, career, and presidency. It draws on a wide range of sources, including interviews with Trump himself, his family, and his associates. The book also examines Trump's business dealings, his political campaigns, and his time in the White House.

The author, a Pulitzer Prize-winning journalist, provides a balanced and nuanced portrait of Trump. He does not shy away from criticizing Trump's actions and policies, but he also gives credit where it is due. The book provides a fascinating and thought-provoking look at one of the most important figures of our time.

## **Trump's Early Life and Career**

Donald Trump was born in Queens, New York City, in 1946. His father was a successful real estate developer, and Trump followed in his father's footsteps. After graduating from Wharton School of the University of Pennsylvania, Trump joined his father's company, the Trump Organization.

Trump quickly rose through the ranks at the Trump Organization. He was known for his aggressive negotiating style and his willingness to take risks. In the 1980s, Trump expanded the Trump Organization's reach into casinos, hotels, and other businesses.

## **Trump's Entry into Politics**

Trump first entered the political arena in 2015, when he announced his candidacy for President of the United States. He ran as a Republican and campaigned on a populist message, promising to "Make America Great Again."

Trump's campaign was unconventional and often controversial. He made numerous false and misleading statements, and he frequently attacked his opponents. Despite this, Trump won the Republican nomination and went on to defeat Hillary Clinton in the general election.

## **Trump's Presidency**

Trump's presidency has been one of the most tumultuous in American history. He has implemented a number of controversial policies, including a travel ban on citizens from several Muslim-majority countries, a withdrawal from the Paris climate agreement, and a tax cut for corporations and wealthy individuals.

Trump has also been accused of obstruction of justice, collusion with Russia, and other crimes. He has been investigated by Special Counsel Robert Mueller, and the House of Representatives has impeached him on charges of abuse of power and obstruction of Congress.

## **Trump's Legacy**

It is too early to say what Trump's legacy will be. He has been a polarizing figure throughout his career, and his presidency has been no different. His supporters view him as a successful leader who has made America great again, while his detractors see him as a dangerous demagogue who has damaged American democracy.

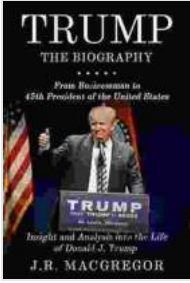

Only time will tell how history will judge Donald Trump. But one thing is for sure: he is one of the most consequential figures in American history.

This book provides a fascinating and thought-provoking look at the life, career, and presidency of Donald Trump. It is a must-read for anyone who wants to understand one of the most important figures of our time.
