Buck was born in 1924 in Holyoke, Massachusetts. He grew up in a family of sports fans, and he developed a love of baseball at an early age. Buck's father was a semi-professional baseball player, and he often took his son to games. Buck would also listen to baseball games on the radio, and he was fascinated by the voices of the broadcasters.

After graduating from high school, Buck attended the University of Missouri. He studied journalism, and he also played baseball for the Tigers. Buck was a talented player, and he was offered a contract by the St. Louis Browns. However, Buck decided to pursue a career in broadcasting instead.

Buck's broadcasting career began in the minor leagues. He worked for several different teams, and he quickly developed a reputation as one of the best young broadcasters in the business. In 1954, Buck was hired by the Cardinals. He would spend the next 49 years broadcasting Cardinals games, and he would become one of the most iconic voices in baseball.

Buck's calls of Cardinals games were legendary. He had a unique ability to capture the excitement of the game, and his voice was always filled with passion. Buck was also known for his wit and his humor, and he often made listeners laugh with his off-the-cuff remarks.

Buck was more than just a great broadcaster. He was also a passionate fan of the game, and he loved to talk about baseball. Buck wrote several books

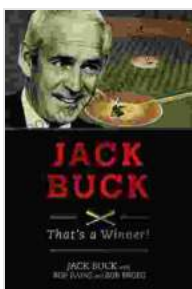

about the game, and he also appeared on numerous television and radio shows. Buck was also a member of the Baseball Hall of Fame, and he was awarded the Presidential Medal of Freedom in 2018.

Buck passed away in 2020 at the age of 92. He left behind a legacy as one of the greatest broadcasters of all time. Buck's voice will always be remembered by Cardinals fans, and his love of the game will continue to inspire generations of fans to come.
