Misbegotten Missionary tells the story of a group of missionaries from Earth who travel to a distant planet to spread their faith. The missionaries are led by a charismatic priest named Father Francis.

Father Francis is a devout believer in his religion and is convinced that it is the only true religion. He is also a skilled orator and is able to persuade many people to convert to his faith.

However, the missionaries are met with resistance from the planet's inhabitants, who have their own beliefs and customs. The missionaries refuse to listen to the planet's inhabitants and continue to try to convert them to their own religion.
