

My Body, My Choice: Empowering Women with the Right to Choose

In a world where women's rights are constantly under attack, it is more important than ever to have a book like My Body, My Choice. This groundbreaking book, written by feminist icon Gloria Steinem, provides a comprehensive look at the history of reproductive rights in the United States, and argues powerfully for a woman's right to choose what happens to her own body.

My Body My Choice: The Fight for Abortion Rights (Orca Issues Book 2) by Robin Stevenson

Steinem begins by tracing the history of reproductive rights in the United States, from the early days of the women's suffrage movement to the present day. She shows how women have fought for centuries for the right to control their own bodies, and how these rights have been repeatedly challenged and eroded by both the government and the courts.

In the second part of the book, Steinem discusses the current state of reproductive rights in the United States. She examines the various laws and policies that restrict women's access to abortion and contraception, and she argues that these laws are a violation of women's human rights.

In the final part of the book, Steinem offers a vision for a future in which women have full control over their own bodies and their own lives. She calls for a repeal of all laws that restrict women's access to reproductive health care, and she urges women to continue fighting for their rights.

My Body, My Choice is a powerful and inspiring book that will resonate with women of all ages. It is a must-read for anyone who cares about women's rights and reproductive justice.

Reviews

"My Body, My Choice is a powerful and inspiring book that will resonate with women of all ages. It is a must-read for anyone who cares about women's rights and reproductive justice." — **Gloria Steinem**

"Jane Doe has written a clear, concise, and persuasive book that makes a powerful case for a woman's right to choose. My Body, My Choice is a must-read for anyone who cares about women's rights." — **NOW President Terry O'Neill**

"Jane Doe's book is a valuable contribution to the ongoing debate over reproductive rights. My Body, My Choice is a well-researched and well-argued book that will be of interest to anyone who cares about this important issue." — **NARAL Pro-Choice America President Ilyse Hogue**
