The IPS Nathan Lecture is a prestigious annual event that brings together leading thinkers from around the world to discuss critical issues facing cities and urban areas. This year's lecture will focus on the theme of "Seeking a Better Urban Future" and will explore the challenges and opportunities facing cities in the 21st century.

The lecture will be delivered by Dr. Jan Gehl, a world-renowned urban planner and architect who has dedicated his career to creating more livable and sustainable cities. Dr. Gehl will share his insights on how we can design cities that are more people-friendly, healthy, and equitable.

The IPS Nathan Lecture is a must-attend event for anyone interested in the future of cities. It is an opportunity to learn from leading experts in the field

and to engage in a dialogue about the challenges and opportunities facing cities in the 21st century.

About the IPS Nathan Lecture

The IPS Nathan Lecture is an annual event that brings together leading thinkers from around the world to discuss critical issues facing cities and urban areas. The lecture is named in honour of the late Dr. Andrew Nathan, a distinguished urban planner and professor at the University of Toronto.

Past speakers at the IPS Nathan Lecture have included:

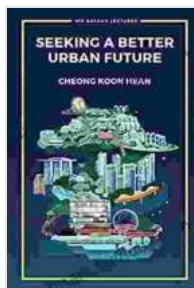

- Dr. Jane Jacobs, author of *The Death and Life of Great American Cities*
- Dr. Richard Florida, author of *The Rise of the Creative Class*
- Dr. Saskia Sassen, author of *The Global City*

The IPS Nathan Lecture is a unique opportunity to hear from leading experts in the field of urban planning and to engage in a dialogue about the challenges and opportunities facing cities in the 21st century.
