Unlock the Power of Point of View

As a writer, you hold the unique ability to transport readers into worlds both familiar and extraordinary. But to create a truly immersive and unforgettable story, you must master the art of point of view.

In her groundbreaking book, **Show Me Story: A Composing Guide on Point of View**, Kathy Steinemann unveils the secrets to mastering point of view and crafting narratives that captivate and resonate with your audience.

Through insightful examples and practical exercises, Steinemann guides you through the nuances of different points of view, including:

- First person point of view
- Third person point of view
- Limited third person point of view
- Omniscient third person point of view

With each type of point of view, you'll learn how to:

- Select the most effective point of view for your story
- Craft a consistent and cohesive point of view throughout your narrative
- Effectively convey the thoughts and emotions of your characters
- Create a sense of intimacy and immediacy with your readers

Show Me Story is more than just a technical guide; it's an indispensable tool for writers of all levels who desire to elevate their storytelling skills to new heights. Whether you're a seasoned author or just starting out on your writing journey, this book will provide you with the knowledge and insights you need to craft compelling and unforgettable narratives.
