Dan Mills was a young man when he decided to join the British Army. Little did he know that he would soon be deployed to Afghanistan, one of the most dangerous war zones in the world. Sniper in Helmand is his first-hand account of his six-month tour as a sniper with the British Army.

From the moment he arrived in Afghanistan, Mills was thrust into the heart of the conflict. He witnessed the horrors of war firsthand, and he was forced to make life-or-death decisions on a daily basis. Sniper in Helmand is a

gripping account of Mills' experiences in Afghanistan. It is a story of courage, camaraderie, and loss.

Mills writes with a raw honesty that is both refreshing and unsettling. He does not shy away from the realities of war, and he paints a vivid picture of the physical and emotional toll it takes on soldiers.

Sniper in Helmand is a must-read for anyone interested in the true story of life on the frontline. It is a powerful and moving account of one man's experience in Afghanistan, and it will stay with you long after you finish reading it.
