Case Studies for Real-World Learning

Student Cases in Social Work Ethics presents a diverse range of ethical dilemmas commonly encountered in social work practice. Each case study is carefully crafted to reflect the complexities and nuances of real-world situations, providing students with a rich and immersive learning experience.

The cases cover a wide spectrum of social work settings, including:

- Child welfare
- Mental health

- Substance abuse
- Elder care
- Criminal justice

Ethical Principles for Informed Decision-Making

In addition to case studies, Student Cases in Social Work Ethics provides a comprehensive overview of ethical principles and theories. Students will gain a deep understanding of the National Association of Social Workers (NASW) Code of Ethics and other relevant ethical frameworks.

The book covers essential ethical concepts such as:

- Autonomy
- Non-maleficence
- Beneficence
- Justice
- Confidentiality

Interactive Exercises for Critical Thinking

Student Cases in Social Work Ethics goes beyond case studies and ethical principles to provide students with interactive exercises that foster critical thinking and ethical decision-making.

These exercises include:

- Role-playing scenarios

- Ethical dilemmas
- Case analysis questions
- Discussion prompts
- Reflection exercises
