

Teens Talk High School: A Real Raw Account of Life in America's Schools Today

Teens Talk High School is a groundbreaking book that gives voice to the experiences of teenagers in America's high schools. Through candid interviews, the book explores the challenges and triumphs of growing up in today's world, from the pressures of social media to the anxieties of college applications.

The book is divided into four sections: academics, social life, mental health, and the future. Each section features interviews with teenagers from across the country, who share their stories about the challenges they face and the ways they cope.
