Chapter 2: Drawing Faces

Now it's time to focus on the most expressive part of the human body: the face. We'll break down the facial features into simple shapes and teach you how to draw them in proportion. You'll also learn how to capture different facial expressions, from joy and surprise to sadness and anger.

Chapter 3: Drawing Expressions

Expressions are what bring drawings to life. In this chapter, we'll show you how to draw a wide range of emotions using subtle changes in the eyes, mouth, and eyebrows. You'll learn how to convey happiness, sadness, anger, fear, and more. By mastering the art of drawing expressions, you'll be able to create truly captivating drawings.

Chapter 4: Drawing People in Action

So far, we've focused on drawing people in static poses. But what about capturing them in motion? In this chapter, we'll teach you how to draw people walking, running, jumping, and performing other actions. You'll learn how to use foreshortening and other techniques to create the illusion of depth and movement.

Chapter 5: Creative Challenges

Now that you've mastered the basics, it's time to put your skills to the test. This chapter includes a variety of creative challenges designed to help you apply what you've learned. You'll draw people from different cultures, create storyboards, and even design your own comic book characters.
