Synopsis: A Family Torn Asunder by Nature's Fury

As the sun rises on a picturesque morning, a catastrophic tsunami strikes with relentless force, shattering the tranquility of a coastal community. The lives of the Harper family, once filled with laughter and warmth, are irrevocably altered as the towering waves tear them apart.

With her husband and youngest son mercilessly claimed by the watery abyss, Emily Harper is left alone with her eldest daughter, Amelia, and her traumatized adopted son, Jonah. Struggling to navigate the uncharted waters of grief and despair, Emily embarks on a perilous quest to piece together the remnants of her shattered family.

A Journey of Resilience and Redemption
