

Your Wingman for Medellín: The Ultimate Guide to the City of Eternal Spring

Medellín, the capital of Colombia's Antioquia department, is a vibrant and cosmopolitan city nestled in the Aburrá Valley in the Andes Mountains. With a population of over 2.5 million people, Medellín is the second-largest city in Colombia and the most populous city in the Andean Region.

Medellín has a rich history dating back to the pre-Columbian era. The city was founded in 1616 by Spanish conquistadors and served as the capital of the Antioquia province during the colonial period. After Colombia gained independence from Spain in 1819, Medellín became a major center of commerce and industry. In the 20th century, Medellín experienced a period of rapid growth and development, and today it is one of the most important economic and cultural centers in Colombia.
